Re: Letter of Appreciation

Dear Mr. Blank:

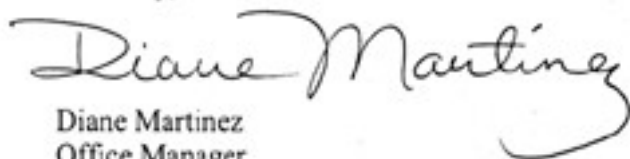

This letter is to show my appreciation for all of your help in making the move to our new office efficient and enjoyable. As you know, Wayport moved its corporate offices to 8303 Mopac in early March. Having coffee and cold drinks ready for the staff on the first day of business in our new location was a great help in smoothing out the transition.

Just a small thing, such as coffee and drink service, can sometimes be a big headache. But your attention to our needs, and your staff's quick attention to the details, has taken a time consuming task off my very full plate.

It has been a pleasure working with you and your staff. The response to requests and orders has been excellent. I look forward to working with you and Accent as our needs increase. I have confidence that your company will fulfill our expectations and more.

And once again, Mr. Blank, thank you.

Sincerely,

  
Diane Martinez  
Office Manager
